Several meters high, weighing an average of ten tons and planted there between the 13th and 15th century. How? Why? It remains as one of the enigmas of our time. Tonight, during an unforgettable evening under the stars, the Rapa Nui will tell you about the mysteries of their land, the volcanoes whose vibrations carry the story of Creation. Tahiti and its islands

Landing in Tahiti is a change of outlook on life. Intoxicating scents of tiara flowers, bougainvillea waterfalls, hibiscus hedges, sensually knotted pareos, French on the lips, smooth insouciance as vivid birds flow above the clear waters of the pristine lagoon... We quickly understand why so many travelers, Brel, Gauguin, Loti... proclaimed that French Polynesia is no less than paradise. Do you agree?

You are to stay in Moorea, the sister island of Tahiti. But if you wish, you can choose another option (with extra charge) and discover Bora Bora, the Tuamotu or the Marquesas Islands. Or stay at the Brando, the mythical hotel opened on the atoll of Tetiaroa, where the actor liked to retire between the shootings.

Hanoi and Halong Bay

Welcome to Southeast Asia. Take a rickshaw ride, visit the Temple of Literature, face the Ho Chi Minh Mausoleum, take a deep breath and dive in the grandiose urban chaos of Hanoi. A crazy traffic, it's true, but observe the astonishing harmony of street kitchens, miniature stalls, torrents of motorcycles, dodging pedestrians and doll houses. The city was designed according to the cosmogony laws, here a lake adorned with a temple, an artisan district next door, a botanical garden that hosts collective morning exercise right next to it, a market... Hanoi is the embodiment of the art of living together. Then, you will reclaim the calm of great nature in Halong bay. Away from the beaten and busy tracks, you savor one of the most beautiful pictures of Vietnam, between clear waters and thousands of monoliths covered in emerald.

If you travel in *Première Safrans*, you will spend the evening and night on a luxury junk. The magic of its overwhelmingly starry sky is yours to take.

The temples of Angkor

Silence please, let the magic of Angkor submerge you. It is exceptional, born from a unique way of carving stone and melting them in the lush of tropical vegetation, from the sky's affairs echoing on infinity lake, from an invitation for people to retain its enigmatic statues' message. Rows of graceful Apsaras, haughty temples, mazes and dark rooms, mystical smiling Buddhas ... Your emotions will match the marvel you will experience. A grandiose party will be set as the final touch to this exceptional visit. But shhhh...it's a surprise...

The Taj Mahal

Let's talk about Love. As you contemplate the white marble temple of perfect harmony you understand what defines a «Wonder of the World». Located on Agra's riverbank, this mausoleum was built in the 17th century by Emperor Shâh Jahân who wanted to offer his wife a token of eternal passion. Successful declaration! Delicate sculptures, walls inlaid with semi-precious stones, elegant basins, slender minarets, flowerbeds. The hymn to love is universal. You will celebrate it tonight during a show that will unwind Indian magics.

Petra

It seems like an initiatory path. The one who leads to the Treasury, as is called the temple of Petra, sneaks between two narrow sandstone walls to then reveal the wonder. In full light, there lies the tomb of Kazneh. Its 40-meter-high facade was carved out of the pristine canyon. Its color, changing from pink to coppery iridescent white and even golden as it dances with the daylight. Here is the splendid testimony of the Nabataeans, the pinnacle of a vast religious citadel carved at the beginning of our era. Before your final excursion in the desert of Wadi Rum, comes the time of celebration. Our team wishes it to be the apotheosis of your trip. It must sum up all the wonders that have paraded before you during these 22 days. We promise, you will never forget it. Shouldn't we immortalize it with a picture? The photographer is already there and the party begins. It will be worthy of the Arabian Nights, just like your World Tour!
